The Honorable Kenneth M. Karas

United States District Court

**Re: United States v. Jasaan Bastian, 11 Cr. 1040 (KMK)**

Dear Judge Karas:

A status conference concerning alleged violations of supervised release in the above-referenced action is currently scheduled for December 14, 2022. There is an ongoing, related state court action concerning much of the same underlying conduct (the "State Action"), which has yet to be resolved. Defense counsel has notified the Government that the defense would prefer the State Action be resolved before we reach a disposition on the alleged violations of supervised release, and the Government does not object. Accordingly, the parties jointly submit this letter to respectfully request an adjournment until the week of February 6 or February 14, 2023.

Respectfully submitted,

DAMIAN WILLIAMS  
United States Attorney
